Who will use Xp Pro Student Edition?

Type the name of each person who will use Xp Pro Student Edition. Windows will create a separate user account for each person so you can personalize the way you want Windows to organize and display information, protect your files and computer settings, and customize the desktop.

Your name:	<input type="text" value="Leha342-TESTER"/>
2nd User:	<input type="text"/>
3rd User:	<input type="text"/>
4th User:	<input type="text"/>
5th User:	<input type="text"/>

These names will appear on the Welcome screen in alphabetical order. When you start Windows, simply click your name on the Welcome screen to begin. If you want to set passwords and limit permissions for each user, or add more user accounts after you finish setting up Windows, just click **Control Panel** on the **Start** menu, and then click **User Accounts**.
